**Missouri Slope Areawide
United Way**

Charity Sponsor: During our event, we have selected to support **United Way's Emergency Homeless Shelter**.

At the start of wintertime last year, a longtime homeless provider announced that they were closing the Men's Emergency Shelter. This was the only emergency homeless shelter in Bismarck-Mandan. United Way stepped up to make sure no one was sleeping out in the cold. They have provided over 15,000 nights of shelter to homeless men, women and children since November 1, 2017.

Funds are needed to support the United Way Homeless Shelter to make sure that the community does not experience a crisis like this again. They are providing a safe and supportive environment, helping our most vulnerable population get back on their feet again.

An opportunity to provide donations will be available at this event. Any support would be greatly appreciated!
