Health Information Technology Outreach Coordinator

Quality Health Associates of North Dakota has an immediate opening for a qualified healthcare professional to join its growing team as a Health Information Technology Outreach Coordinator. Qualified individuals include health information technologists, nurses, and other related healthcare disciplines.

Previous experience in a variety of healthcare settings, familiarity with quality improvement principles, project management, and strong interpersonal and organization skills are required. Previous experience in Health Information Technology is desired.

This is a full-time position located in Minot. Options for working remotely within North Dakota may be considered. Please send your cover letter and a complete resume to: Quality Health Associates of North Dakota, 41 36th Ave NW, Minot, ND 58703, or by e-mail to lmalchose@qualityhealthnd.org. Deadline for submission is April 3, 2019.
