Overview:
Health care providers are faced with the many strategic challenges associated with health care reform. Corporate strategies are considering accountable care readiness, potential mergers and acquisitions, clinical affiliations, and organizational efficiency and effectiveness. At the same time, providers are working to transform their informational technology environments to achieve compliance, support patient-centered and connected care, and improve financial performance.

The next big thing is revenue cycle solutions. It is happening now. This webinar reviews the state of the market, major drivers, strategic considerations, challenges and opportunities, organizational and governance considerations, functional requirements, vendor market readiness, functional gaps, implementation realities, and lessons learned.

Learning Objectives:
- Understand the state of the market including drivers, status of vendor offerings, strategic considerations, and approaches moving forward
- Explore specific issues that must be addressed in strategy development and vendor selection
- Consider best practices and lessons learned
- Develop an approach for moving forward at each participant’s organization

Target Audience: Health Information, CIO, CFO, IT

Faculty:
Elaine Remmlinger
Senior Partner
Kurt Salmon
New York, New York

Ms. Remmlinger leads Kurt Salmon’s health care IT practice and has directed significant high impact client engagements in information technology strategic planning, vendor selections, and implementation program management in academic medicine, complex health systems, children’s hospitals, cancer centers, and other specialty providers and is nationally recognized for her expertise in the field. She is a frequent speaker at national industry conferences, and writes extensively for industry publications. She has served on the CHIME Board of Trustees and has been named as one of the nation’s Top 25 Consultants for 2012 by Consulting magazine.

Ms. Remmlinger received her BA cum laude from the State University of New York at Buffalo, her Masters in Counseling from Boston University, and her Masters in Health Care Policy, Planning, and Administration from New York University.
Registration:

There is a site fee of $175.00 for NDHA Members and ND HFMA Members, and $300.00 for Non-members for this course. The registration fee provides you with one phone number, Web connection and a downloadable handout.

Numerous people at one physical site are encouraged to participate in the Web Conference through one registration (utilizing the same telephone/Web connection). A member hospital is referred to as an individual freestanding facility, not a hospital system. If any additional locations or facilities are added into your connection, additional registration fees will be charged. If participants at your site require more than one telephone/Web connection, additional registration fees will be charged.

Prior to the program you will receive an e-mail containing instructions on how to connect to the conference. This e-mail will also contain codes to access the conference call. Advance registration by June 3, 2014 is required to ensure delivery of instructional materials. A late fee of $25.00 will be charged for any registrations after this date. This fee is necessary, as we are being charged a late fee for any last minute registrations that require an overflow line on the bridge. If you do not receive an e-mail from Linda Simmons prior to the program with your handouts and dial-in information, please contact her at 701 224-9732.

Please contact Linda Simmons at 701 224-9732 or lsimmons@ndha.org for further information. You may register by fax (701) 224-9529, online at http://www.ndha.org under Education or by mail PO Box 7340, Bismarck ND 58507.

Registration fees are non-refundable unless notice of an individual’s cancellation is received at NDHA five working days prior to the event, in which case a cancellation fee of $50.00 will be deducted from your registration fee. If notice of cancellation is received after this date, there is no refund. You will be billed whether or not you attend the program.
