Preventing Infant and Pediatric Abductions
COURSE: NGD1400 (WEBINAR)

Date: June 5, 2014
Time: 9:00 – 10:30 am CDT

Webinar Overview:
This webinar is a must to attend for any healthcare facility that would like to maintain a safe environment by preventing infant and pediatric abductions. This webinar will provide information on the Joint Commission and CMS standards on this topic and how to comply with their standards. It will discuss the five key physical, security, and other measures healthcare facilities can take to prevent abductions. An infant abducted from a healthcare facility would be a tragic event for both the parents and facility and a media nightmare. About 95% of infant abductions result in litigation. Make sure your facility is up-to-date on what it should be doing and when. You do not want the unthinkable nightmare of an infant or child abduction to happen at your facility. This webinar will discuss some recent infant abduction cases from hospitals and what might have prevented the abductions.

Webinar Objectives:
- Discuss the important components of a good infant and pediatric abduction program including policies and procedures, training of staff and parents, controlling access, and development of a critical incident response plan
- Describe what information should be communicated to the mother to minimize the risk of abduction
- Recall that the Joint Commission and CMS Hospital has standards as they relate to infant and pediatric abduction

Webinar Topics:
- Introduction
- Recent infant abductions or attempted
- Data on total number of abductions
- Infant abduction; a sentinel event

OB and nursery nurses and nurse manager, pediatric nurses and nurse manager, chief nursing officer, risk manager, safety and security officers, security staff, patient safety officer, compliance officer, patient safety team members, consumer advocate, nurse educator, and any other person who is involved in keep pediatric patients and infants safe

Faculty:
Sue Dill Calloway, RN, Esq. CPRHM, AD, BA, BSN, MSN, JD. Attorney at Law
President of Patient Safety, Healthcare Consulting and Education Company

Sue Dill Calloway, R.N., M.S.N, J.D. is a nurse attorney and President of Patient Safety and Healthcare Consulting and Education. She was the past VP of Legal Services at a community hospital in addition to being the Privacy Officer and the Compliance Officer. She worked for over 8 years as the Director of Risk Management and Health Policy for the Ohio Hospital Association. She was also the immediate past director of hospital patient safety and risk management for The Doctors Insurance Company in Columbus area for five years. She does frequent lectures on legal and risk management issues and writes numerous publications.

Ms. Calloway has given many presentations locally and nationally to nurses, physicians and attorneys on medical and legal issues. She has authored numerous articles and over 1000 articles and 100 books, including the 2009 Joint Commission Leadership Standard (HCPro), Nursing and the Law (PESI, 1986 and 1987), Ohio Nursing Law (West Publishing), Nursing Ethics and the Law (PESI, 1986), Legal Issues in Supervising Nurses (PESI, 1988), Medicine Made Easy (PESI, 1992) and The Law for Nurses Who Supervise/Manage Others (PESI, 1993), Legal Issues in Obstetrics (PESI, 1997) and JC Leadership Standards (HCPro, 2004), and the Compliance Guide to the CMS and the Joint Commission Patient Rights Standards (HCPro, 2005), and the 2009 book on the Joint Commission Leadership Standards (HCPro). She often writes articles called the “CMS Corner” in Briefings on the Joint Commission. Ms Calloway is a 1996 recipient of PESI's Excellence in Education Award.
Registration:
There is a site fee of $175.00 for NDHA Member Hospitals and $300.00 for Non-members for this course. Member Hospital is referred to as an individual freestanding facility, not a hospital system. The registration fee provides you with one phone number, Web connection and a downloadable handout. Numerous people at one physical site are encouraged to participate in the Web Conference through one registration (utilizing the same telephone/Web connection). If any additional locations or facilities are added into your connection, additional registration fees will be charged. If participants at your site require more than one telephone/Web connection, additional registration fees will be charged.

Prior to the program you will receive an e-mail containing instructions on how to connect to the conference. This e-mail will also contain codes to access the conference call. Advance registration by May 23, 2014 is required to ensure delivery of instructional materials. A late fee of $25.00 will be charged for any registrations after this date. This fee is necessary, as we are being charged a late fee for any last minute registrations that require an overflow line on the bridge. If you do not receive an e-mail from Linda Simmons prior to the program with your handouts and dial-in information, please contact her at 701 224-9732.

Please contact Linda Simmons at 701 224-9732 or lsimmons@ndha.org for further information. You may register by fax (701) 224-9529, online at http://www.ndha.org under Education or by mail PO Box 7340, Bismarck ND 58507.

Registration fees are non-refundable unless notice of an individual’s cancellation is received at NDHA five working days prior to the event, in which case a cancellation fee of $50.00 will be deducted from your registration fee. If notice of cancellation is received after this date, there is no refund. You will be billed whether or not you attend the program.
